

# **Important information about your donation!!**

## **Please read carefully!!**

### ***Deductions \$5000 or more***

Generally, if the claimed deduction for an item or group of similar items of donated property is more than \$5,000, you must get a qualified appraisal made by a qualified appraiser, and you must attach Section B of Form 8283 to your tax return. There are exceptions, discussed later. You should keep the appraiser's report with your written records. Records are discussed in Publication 526.

This information was found at the following website:

<http://www.irs.gov/publications/p561/ar02.html#d0e1545> ;

Please visit this site for more detailed information.

### ***Deinstallation and Removal of Equipment***

All equipment being donated must be disconnected prior to pick up. Equipment will not be unhooked or disconnected by the driver or person picking up the donation!! No exceptions! To coordinate an effective and efficient pick up of your donation, your cooperation is very much appreciated.

### ***Donation of Xray and Xray Equipment***

You must provide the serial number for any xray or xray equipment you would like to donate. Your donation pick up cannot be coordinated without this information. NO EXCEPTIONS!

### ***If working with a Dental Rep or Dental Company (ie Henry Schein and IDS Dental, etc)***

In the comments section of the Letter of Intent, please provide the name of the representative from one of the dental companies if they are helping you coordinate this donation.
